

Hyrum Library Internet Statement

Internet usage:

The internet is available to all library members free of charge. Children under 18 must be accompanied by a parent or legal guardian.

One 60-minute internet session is allowed per day. (More time may be granted if no one is waiting).

Staff assistance with the internet may be limited by other demands for customer assistance.

Chat room and IM access is not supported by the library workstations.

To protect our Patrons' Identity, downloading to the computer's hard drive is NOT permitted. Patrons may bring their own USB storage devices (MP3 players, Flash Drives, etc.) for saving or downloading items. The library assumes no responsibility for technical support or possible damage to personal devices. Changing system settings or altering the internet workstations in anyway result in permanent loss of internet privileges.

The accessing, display or printing of obscene or illegal content is prohibited and punishable by law.

Unauthorized access, including so-called "hacking" and other unlawful activities by both adults and minors is prohibited.

Unauthorized disclosure, use, and dissemination of personal information regarding minors is prohibited.

Parents, **NOT LIBRARY STAFF**, assume all responsibility for their children's internet use and compliance with library policies.

Free Wi-Fi is provided for any library user. The library assumes NO responsibility for content, malware protection, or possible damage as a result from Wi-Fi access.

Failure to comply with the Hyrum City Library acceptable use policy may result in the loss of Internet use privilege.
