

OverDrive Download: MP3 Player

1. Get a library card
 - a. The Hyrum Library card is free to residents of Hyrum, Nibley, and Wellsville.
Anyone residing outside of these areas will be charged a \$30 annual user fee.
2. Go to <http://overdrive.com/software/omc/> download the OverDrive Media Console to your computer.
3. Go to www.hyrumlibrary.com click on “E-Audio Books”, Click on “OverDrive Audio Book Website”
4. You will need to sign in. The sign in option is located at the top right corner of the page.
5. **SIGNING IN:**
 - a. Click the sign in option, search for Hyrum Library, click on “Hyrum Library”, then click “Hyrum Library users click here”
6. You will then be asked for a library access code. This access code is **c1p84319** followed by your library card number.

(Example: if your library card number is 9182 you will enter c1p843199182)

If your library card number is three digits you will need to add a ZERO to the beginning of your library card number.

(Example: if your card number is 789 you will add a zero to the beginning and your card number will now be 0789)

7. You are now logged in and ready to search for an audio-book.
8. Once you find the audio-book you would like to check out, click on the picture of the book, then click on “Borrow”.
9. Click the “download” button.
10. Save file, depending on your internet speed this might take a few minutes.
11. When file has finished downloading, double click the downloaded file.
12. This should move the book to the OverDrive Media Console.
13. Connect your MP3 player to your computer with the transfer cord.
14. In the OverDrive Media Console, highlight the book and choose “transfer” from the main menu.
15. A Pop up menu will appear, choose “next” to continue.
16. Choose “next” to continue on the following page, the file will start to transfer to your MP3 player.

After the audio due date the file on your MP3 Player should become an unplayable file.

You will need to delete it from your player.
